WHO IS THIS JESUS?

Who is Jesus?

He refers to Himself as the Bread of Life, the Light of the World, the Good Shepherd and the Way, Truth and Life. But what does all this mean? Join the world renown explorer James Jory Jenkins as he searches high and low for the identity of the man who calls Himself Jesus Christ.

This VBS is intended to be a *whole family* event. Each night we will start and end our time gathered as a group of all ages, singing, praying and hearing a little bit about Christ. During the evening, children will learn more about the identity of Jesus through story time and hands on activities. Teens are invited to help lead the programming for the children. Adults will participate in presentations on issues relevant to parenting and passing on faith in the 21st century.

The nightly schedule is as follows:

6:00 Community meal (free will offering)

6:30 Family gathering

We'll gather for song and prayer, as well as an appearance by James Jory Jenkins who will introduce the night's theme.

6:45 Break off

Parents will gather for a presentation and conversation time and children will further explore the night's theme through stories, games and other activities.

7:30 Serve together!

Being a Christian is about more than gathering for a good time... it's about serving our brothers and sisters. Each night there will also be an intergenerational service project where children, parents and other members of our church family will together be the hands and feet of Christ.

8:00 Family sending

We'll wrap up the evening with more songs and prayer, as well as a recap from James Jory Jenkins.

8:20 Dessert and fellowship

Time together as a large group before heading home for the night!

A Few Possible Parent Break-out Presentations

Communication:
