

Adult Confirmation Ministry Opportunities

YOUR NAME: _____

God has called parents to be the greatest influence in the faith development of their children. Your involvement in MLC's Confirmation ministries contributes to its success and fulfills the promises you made at your child's baptism! Below are ways in which you are invited to contribute to the confirmation experience. **Please prayerfully consider and mark below the ways in which you will support your child during this year of Confirmation.**

Small Group Guide Check preferences: 6th Grade 7th Grade 8th Grade
Co-teach with: _____

Being a Guide is a very rewarding experience! These are the front line adults that truly get to know and mentor our youth. Guides lead a small group of 4-6 youth on about 20 Wednesday nights throughout the school year. Training & materials are provided! Guide responsibilities are shared with another adult. All Guides are asked to be prepared to participate in a background check.

Confirmation Ministry Team

Be a part of this extremely important team of people that will help staff make decisions regarding MLC's Confirmation ministry. We will meet about once a quarter to assess current programming and make plans for future programming.

Confirmation Guide Substitute

If one of the Guides needs to be gone on a Wednesday Night, we need a list of Subs that they can call on to fill in. If you are called upon to sub, you would help on a Wednesday night from 7-8 pm. Please be prepared to participate in a background check.

Worship Arts Leadership

If you have an interest in leading youth for a 1-2 month period to prepare them for Worship Participation, this is the place for you. From 6:30-6:55 on Wednesday nights, we will be offering a variety of art & music opportunities that give our youth add'l ways to be involved in Worship Ministry.

Middle School Choir

Drama/Skits

Visual Arts (e.g. banners, mosaics, etc).

Other _____

Confirmation Activities & Events

We need adult leaders & chaperones for Lock-In nights, Service Events, Fundraisers, and Retreats!

All families are expected to coordinate at least one event, and assist in others.

Don't be frightened by the word "coordinate."

The activities are fairly simple to plan and execute, and the Youth Ministry Team will provide you with the guidance you need to get the job done! By dividing the planning & execution of these activities across our many confirmand families, no one person or group will be overburdened.

Please check all of the activities your family is willing to coordinate as well as the activities you are able to assist with. Indicating a willingness to coordinate and assist with several activities does not mean you will be called on to do them all. Knowing your availability simply makes it easier for Pastor Paul to put the schedule of leaders together.
